

* ACM and CSI were parties to a water rights dispute as to the ownership of the 630.274 AF shared with Kaiser. ACM and CSI settled the water rights dispute via a Stipulation for Settlement and Entry of Judgment filed February 14, 2013. The Stipulation provided that, effective July 1, 2007 CSI and ACM shall each be deemed to "solely own one-half of the 630.274 AF Safe Yield".
