Ameron International Corporation, a Delaware corporation	Ameron Steel Producers, Inc. was awarded 97.858 AF by the Judgment. On January 8, 2018, Ken Jeske forwarded an email to NAP Counsel and Watermaster Staff from Matthew Robey, Assistant General Counsel - Real Estate for National Oilwell Varco, L.P., stating that "There never was an Ameron Steel Producers, Inc. In 1966 the land became entitled in 'Ameron, Inc. - Steel Producers Division'. However, the legal entity was Ameron, Inc., a California corporation" In or about 2014 and again in 2018, NAP Counsel searched the online records of the California Secretary of State and the Delaware Secretary of State. The assertion by Mr. Robey is consistent insofar as a search for the name Ameron Steel Producers, Inc produced no records, and Ameron, Inc. did appear to exist as a California corporation in 1966. According to a merger certificate of the Delaware Secretary of State, Ameron, Inc., a California corporation, merged with and into Ameron, Inc., a Delaware corporation, on November 19, 1992. According to a certificate of the Delaware Secretary of State, Ameron, Inc., a Delaware corporation, changed its name to Ameron International Corporation on April 3, 1996. According to a pool committee agenda, on or about July 17, 2013, WM received a Form 5 naming Ameron International Corporation, as transferor, and TAMCO, a California corporation, as transferee in respect of 15.00 AF. According to a January 5, 2017 staff report for the January 12, 2017 meeting of the committee, on December 19, 2016, Ameron and TAMCO jointly withdrew the 2014 transfer application and TAMCO filed an application for permanent transfer by Ameron of 27.619 AF to TAMCO. Staff reported that Ameron will retain 55.239 AF. According to a report at the March 9, 2017 meeting of the NAP Committee, the transfer was completed in February 2017.	Original party	0.000	0.00%
