25 Hearing:

28 DEPT: H

Specially assigned to the Honorable  
Judge J. Michael Gunn

Chino Basin Watermaster respectfully requests the Court issue an order approving the Eighteenth Annual Watermaster Report, and other matters as follows:

1. Eighteenth Annual Report of Chino Basin Watermaster, 1994/95.

Filed herewith is a copy of the Eighteenth Annual Report of the Chino Basin Watermaster for fiscal year 1994/95. Upon review and approval by the Court, Watermaster proposes to provide written copies of said report to all active parties and

1 interested public agencies and press representatives. If any party wishes to obtain a  
2 copy of the proposed annual report prior to the scheduled hearing, Watermaster will  
3 provide a copy on request.

4 2. Explanation of Late Filing. The Judgment, at paragraph 48, directs  
5 that the annual report be filed on or before November 15 of each year for the preceding  
6 year's operation. As previously explained to the Court in connection with the Sixteenth  
7 and Seventeenth Annual Reports, due to changes in staff and other problems,  
8 Watermaster fell behind with the filing of the Sixteenth Annual Report. Watermaster  
9 anticipates that it will bring the filing of the Annual Reports current by the 1997 filing  
10 date.

MEMORANDUM  
TO FILE

DATE: December 30, 1997

FROM: Mary Staula  
Watermaster Administrative Assistant

SUBJECT: Court Hearing Scheduled for January 15, 1997 for Clarification of Prior Ruling

Today at 11:38 A.M. I telephoned Department H of the San Bernardino County Court House. I left a message for Wanda DeVinney to return my call with regard to the Watermaster hearing scheduled for January 15.

When I had not heard from Wanda by 1:30 P.M. I called her again. I told her that our first notification of a date change for hearing on an OSC regarding the appointment of a nine-member Watermaster was Monday when we received a filing prepared by Attorney Cihigoyenette. Additionally, the Motion for Clarification of Prior Ruling scheduled for January 15-also was not addressed in his filing. I asked her if the Motion for Clarification of Prior Ruling was still on calendar for January 15, 1998. She said "no, everything was moved to February 19 because Judge Gunn felt January 15 was too soon for him to hear Watermaster as he will just be returning to work from taking outside classes at about that time in January".
