25 this action and a member of the Appropriative Pool. FUWCO
26 supports and joins in the motion for appointment of the nine
27 member board as Watermaster. It is the position of FUWCO that
28 appointment of this board would be in the best interest of the

1 Chino Basin. The board would (1) avoid the appearance of

25 party in this action and a member of the Appropriative Pool.
26 WECWC supports and joins in the motion for appointment of the
27 nine member board as Watermaster. It is the position of WECWC
28

1 that appointment of this board would be in the best interest
2 of the Chino Basin. The board would (1) avoid the appearance
3 of conflict of interest that may be attached to Chino Basin
4 Municipal Water District in its dual role as Watermaster and
5 as a significant special district operating within Chino
6 Basin, (2) lead to improved staff responsiveness, (3) result
7 in more effective representation of parties, and (4) allow
8 more effective management of costs associated with the
9 adjudication. WECWC believes that the nine member board as
10 proposed provides for equitable representation of all parties,
11 provides for checks and balances, and provides a balance among
12 all interests within the Basin.

13 WECWC urges the Court to appoint the nine member
14 board as Watermaster and to confirm the individual members of
15 the board as soon as possible. Any further delay on the
16 appointment of a new Watermaster would be detrimental to the
17 Basin, to the interest of the parties in this action and to
18 the confidence of the parties and the public in the Judgment.

19 WECWC further urges the Court to order the Chino
20 Basin Municipal Water District to promptly take all steps
21 necessary and proper to complete a smooth and orderly
22 transition of the transition to a new Watermaster that a
23 resolution of intention to enter into a Public Employee
24 Retirement System ("PEGS") contract in the name of Chino Basin
25 Watermaster to be executed immediately. Delay on this item
26 until formal appointment of the individuals to the new
27 Watermaster Board would be detrimental to the interests of the
28

1 parties in the action and to Watermaster staff. Chino Basin
2 Municipal Water District, should be ordered by the Court to
3 immediately execute a resolution of intention to enter into a
4 PEGS contract in the name of Chino Basin Watermaster and other
5 related resolutions and/or agreements to have the employee
6 benefit program in place.
