WATER DISTRICT,**

Plaintiff,

vs.

CITY OF CHINO, et al.,

Defendants.

CASE NO. RCV 51010

NOTICE OF WORKSHOP

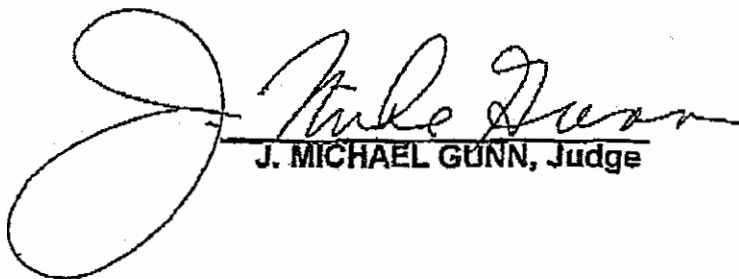

Please be advised that the court has scheduled a workshop for all parties on May 4, at 9:00 a.m., at the Ontario office of Best Best & Krieger, to be conducted by Ms. Anne Schneider and Mr. Joe Scalmanini. Ms. Schneider will report to the court on the findings made at the workshop.

Prior to the workshop, the parties shall provide a written status report on the following areas: the coordination, integration, and implementation of subcommittee plans and presentations for satisfactory conclusion of the OBMP process including final memoranda of agreement; the actions of the Watermaster and the Inland Empire Utilities Agency to complete the OBMP documents, particularly the Draft

1 Environmental Impact Report; and the status of the work by the subcommittees on
2 recharge and yield maintenance and any other efforts on behalf of the Watermaster.
3 The status report shall be filed with the court no later than April 19, 2000.

4 The court is aware of the Joint Statement of the Parties of Legal Issues which
5 sets forth that attorneys for all parties have begun regular meetings in an effort to
6 negotiate a settlement. The parties have further stated that briefing of the legal
7 issues is not necessary at this time in order for meaningful settlement negotiations to
8 go forward. Based on the report of Ms. Schneider, the court may require briefing of
9 the legal issues.
