1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 The Overlying (Agricultural) Pool (Ag Pool) is one of three groundwater production
4 “Pools” established by the Chino Basin Judgment (Judgment).¹ (Judgment, ¶ 43(a).) The
5 Judgment also established “Pooling Plans” for each of the three Pools to control operation of the
6 subject Pool. (Judgment, ¶ 46.) The Judgment reserves continuing jurisdiction to the Court as to
7 all matters contained in the Judgment.² (Judgment, ¶ 15.)

8 The Pooling Plan for the Ag Pool is retained as Exhibit “F” to the Judgment and describes
9 the manner in which the Ag Pool is organized and administers its affairs. The Pooling Plan can be
10 modified by amendment of the Judgment pursuant to the Court’s continuing jurisdiction.
11 (Judgment, ¶ 46.)

12 On October 10, 2019, during an Ag Pool Committee regularly scheduled meeting,
13 members of the Ag Pool Committee adopted an amendment to the Ag Pool Pooling Plan and
14 directed counsel to prepare the necessary filings for the Court. (Declaration of Tracy J. Egoscue
15 (Egoscue Decl.), ¶ 6.) The amendment to the Ag Pool Pooling Plan was provided in advance, in
16 the meeting packages and agendas, of the October 10, 2019 meetings of the two other Pool
17 Committees as well. (Egoscue Decl., ¶ 7.) The Overlying (Non-Agricultural) Pool supported the
18 amendment at its October 10, 2019 meeting. (Egoscue Decl., ¶ 8.) At its October 10, 2019
19 meeting, the Appropriative Pool reported that it did not take a position on the amendment and
20 reserved its right to comment. (Egoscue Decl., ¶ 9.) During the October 10, 2019 Appropriative
21 Pool meeting, the Ag Pool Committee Chairperson, Robert Feenstra, questioned when
22 Appropriative Pool comments would be made, to which the Appropriative Pool Chairperson, Van
23 Jew, responded, “So that was something that was discussed in closed session, so I can’t disclose.”
24 (Egoscue Decl., ¶ 10.) Also, during the October 10, 2019 Appropriative Pool meeting, counsel for
25 the Ag Pool Committee requested clarification from the Appropriative Pool on whether there was
26 support or opposition to the amendment to the Ag Pool Pooling Plan so that the position of the

27 ¹ All citations and references to the “Judgment” are to the 2012 Restated Judgment.

28 ² The limited exceptions enumerated in the Judgment do not apply in this matter.

1 Appropriate Pool could be reflected in this motion. (Egoscue Decl., ¶ 11.) In doing so the
2 following exchange occurred between Ag Pool Counsel, Tracy J. Egoscue, and Appropriate
3 Pool Chairperson, Van Jew:

4 **T. Egoscue:** Thank you to the Chair and members of the Pool for
5 considering the Pooling Plan amendment. . . I have been directed to ask
6 whether or not there is agreement or approval from your Pool. The Non-
7 Ag has supported it and I will have to file it with the court. So, to the
8 extent that you can inform us clearly whether or not you oppose it so that I
9 would then reflect that in the filing . . . And I can work with your counsel,
10 um, for that. I would just like to make that request.

11 **Chairperson Jew:** So, per the reportable action, the Pool didn't take a
12 position on that Pooling Plan amendment.

13 **T. Egoscue:** There is no position on it?

14 **Chairperson Jew:** Except that we reserve the right to make comments on
15 it.
16 (Egoscue Decl., ¶ 11.)

17 The amendment to the Ag Pool Pooling Plan and the related responses of the
18 Appropriate Pool and Overlying (Non-Agricultural) Pool was then reported by the Watermaster
19 General Manager to the Advisory Committee on October 17, 2019, and the Watermaster Board
20 on October 24, 2019. (Egoscue Decl., ¶ 12.)

21 II. PURPOSE OF AMENDMENT

22 The current Ag Pool Pooling Plan is attached to the Declaration of Tracy J. Egoscue as
23 Exhibit A filed concurrently herewith. (Egoscue Decl., ¶ 3.) The amended Ag Pool Pooling Plan
24 is attached to the Declaration of Tracy J. Egoscue as Exhibit B. (Egoscue Decl., ¶ 4.) A redline
25 showing the changes from the current version to the amended version is attached as Exhibit C.
26 (Egoscue Decl., ¶ 5.) The amendment updates the Pooling Plan to reflect the terms of the Peace
27 Agreement approved by this Court and to conform to the policies and practices of the Pool.

28 The revisions to Section 3 of the Ag Pool Pooling Plan reflect the practice of the Pool to
allow for each member of the Ag Pool Committee to have one vote and serve for a one-year term.
No party to the Judgment has objected to this long-standing practice of the Ag Pool.

The revisions to Section 5 of the Ag Pool Pooling Plan acknowledge and reflect the terms
of the 2000 Peace Agreement. The Peace Agreement was an agreement between the Parties to the
Judgment and the Court ordered Watermaster to proceed in accordance with same. Section 5.4(a)

1 of the Peace Agreement establishes that, for the term of Peace Agreement, all assessments and
2 expenses of the Ag Pool shall be paid by the Appropriative Pool. The revisions to Section 5 also
3 align the Pooling Plan with current practice to calculate assessments in the Ag Pool made
4 pursuant to Paragraph 45 of the Judgment in an amount uniformly applicable to all production in
5 the Pool during the preceding year or calendar quarter.

6 **III. CONCLUSION**

7 Paragraph 46 of the Judgment states that each Pooling Plan shall control operation of the
8 subject Pool and allows for a Pool's Pooling Plan to be modified by amendment of the Judgment
9 pursuant to the Court's continuing jurisdiction. Good cause exists for the Court to grant this
10 motion in order to ensure that the operation of the Ag Pool is in conformity with current practices
11 and that there is clarity for the members of the Ag Pool, all stakeholders, and the Court.
12 Accordingly, the Ag Pool respectfully requests that the Court approve the amendment to the
13 Pooling Plan of the Overlying (Agricultural) Pool.

**DECLARATION OF TRACY J. EGOSCUE
IN SUPPORT OF AG POOL'S MOTION
REGARDING AMENDMENT OF
POOLING PLAN FOR THE OVERLYING
(AGRICULTURAL) POOL, EXHIBIT "F"
OF THE JUDGMENT**

19
20 1. I, Tracy J. Egoscue, am an attorney licensed to practice in the State of California. Based
21 upon my own knowledge and experience, I can competently attest to the following facts.

22 2. I am counsel for the Overlying (Agricultural) Pool (hereafter Ag Pool) and this
23 Declaration is made in support of the Ag Pool's Motion Regarding Amendment of Pooling Plan
24 for the Ag Pool, Exhibit "F" of the Judgment.

25 3. The current Ag Pool Pooling Plan is attached as **Exhibit A**.

26 4. The amended Ag Pool Pooling Plan is attached as **Exhibit B**.

27 5. A redline showing the changes from the current version to the amended version is
28 attached as **Exhibit C**.

1 6. On October 10, 2019, during an Ag Pool regularly scheduled meeting, members of the
2 Ag Pool approved an amendment to the Ag Pool Pooling Plan and directed counsel to prepare the
3 necessary filings for the Court.

4 7. The amendment to the Ag Pool Pooling Plan was provided in advance, in the meeting
5 packages and agendas, for the October 10, 2019 meetings of the two other Pools.

6 8. The Overlying (Non-Agricultural) Pool supported the amendment at its October 10,
7 2019 meeting.

8 9. At its October 10, 2019 meeting, the Appropriative Pool reported that it did not take a
9 position on the amendment and reserved its right to comment.

10 10. At the Appropriative Pool meeting, the Ag Pool Committee Chairperson, Robert
11 Feenstra, asked the Appropriative Pool Chairperson, Van Jew, when Appropriative Pool
12 comments would be made, to which Chairperson Jew responded, "So that was something that was
13 discussed in closed session, so I can't disclose."

14 11. At the Appropriative Pool meeting, I, at the direction of the Ag Pool Committee
15 Chairperson, requested clarification from the Appropriative Pool on whether there was support or
16 opposition to the amendment to the Ag Pool Pooling Plan so that the position of the
17 Appropriative Pool could be reflected in the Ag Pool Pooling Plan Amendment motion. In doing
18 so the following exchange occurred between myself and Appropriative Pool Chairperson Jew:

19 **T. Egoscue:** Thank you to the chair and members of the pool for
20 considering the pooling plan amendment. Clarification, because I have
21 been directed to ask whether or not there is agreement or approval from
22 your Pool. The Non-Ag has supported it and I will have to file it with the
23 court. So, to the extent that you can inform us clearly whether or not you
24 oppose it so that I would then reflect that in the filing, is what. And I can
25 work with your counsel, um, for that. I would just like to make that
26 request.

27 **Chairperson Jew:** So, per the reportable action, the Pool didn't take a
28 position on that Pooling Plan amendment.

T. Egoscue: There is no position on it?

Chairperson Jew: Except that we reserve the right to make comments on
it.

 12. The amendment to the Ag Pool Pooling Plan and the related responses of the
Appropriative Pool and the Overlying (Non-Agricultural) Pool was then reported by the

1 Watermaster General Manager to the Advisory Committee on October 17, 2019, and the
2 Watermaster Board on October 24, 2019.

3 I declare under penalty of perjury that the foregoing is true and correct. Executed this 31st
4 day of October 2019 in the City of Long Beach and County of Los Angeles, State of California.

EXHIBIT A
CURRENT OVERLYING (AGRICULTURAL) POOL
POOLING PLAN

EXHIBIT "F"
OVERLYING (AGRICULTURAL) POOL
POOLING PLAN

1. Membership in Pool. The State of California and all producers listed in Exhibit "C" shall be the initial members of this pool, which shall include all producers of water for overlying uses other than industrial or commercial purposes.

2. Pool Meetings. The members of the pool shall meet annually, in person or by proxy, at a place and time to be designated by Watermaster for purposes of electing members of the Pool Committee and conducting any other business of the pool. Special meetings of the membership of the pool may be called and held as provided in the rules of the pool.

3. Voting. All voting at meetings of pool members shall be on the basis of one vote for each 100 acre feet or any portion thereof of production from Chino Basin during the preceding year, as shown by the records of Watermaster.

4. Pool Committee. The Pool Committee for this pool shall consist of not less than nine (9) representatives selected at large by members of the pool. The exact number of members of the Pool Committee in any year shall be as determined by majority vote of the voting power of members of the pool in attendance at the annual pool meeting. Each member of the Pool Committee shall have one vote and shall serve for a two-year term. The members first elected shall classify themselves by lot so that approximately one-half serve an initial one-year term. Vacancies during any term shall be filled by a majority of the remaining members of the Pool Committee.

5. Advisory Committee Representatives. The number of representatives of the Pool Committee on the Advisory Committee shall be as provided in the rules of the pool from time to time but not exceeding ten (10). The voting power of the pool on the Advisory Committee shall be apportioned and exercised as determined from time to time by the Pool Committee.

6. Replenishment Obligation. The pool shall provide funds for replenishment of any production by persons other than members of the Overlying Non-Agricultural Pool or Appropriator Pool,

in excess of the pool's share of Safe Yield. During the first five (5) years of operations of the Physical Solution, reasonable efforts shall be made by the Pool Committee to equalize annual assessments.

7. Assessments. All assessments in this pool (whether for replenishment water cost or for pool administration or the allocated share of Watermaster administration) shall be in an amount uniformly applicable to all production in the pool during the preceding year or calendar quarter. Provided, however, that the Agricultural Pool Committee, may recommend to the Court modification of the method of assessing pool members, inter se, if the same is necessary to attain legitimate basin management objectives, including water conservation and avoidance of undesirable socio-economic consequences. Any such modification shall be initiated and ratified by one of the following methods:

(a) Excess Production. - In the event total pool production exceeds 100,000 acre feet in any year, the Pool Committee shall call and hold a meeting, after notice to all pool members, to consider remedial modification of the assessment formula.

(b) Producer Petition. - At any time after the fifth full year of operation under the Physical Solution, a petition by ten percent (10%) of the voting power or membership of the Pool shall compel the holding of a noticed meeting to consider revision of said formula of assessment for replenishment water.

In either event, a majority action of the voting power in attendance at such pool members' meeting shall be binding on the Pool Committee.

8. Rules. - The Pool Committee shall adopt rules for conducting meetings and affairs of the committee and for administering its program and in amplification of the provisions, but not inconsistent with, this pooling plan.

Case No. RCVRS 51010

Assigned for All Purposes to the
Honorable Stanford E. Reichert

[PROPOSED] ORDER REGARDING
AMENDMENT OF POOLING PLAN FOR
THE OVERLYING (AGRICULTURAL)
POOL, EXHIBIT "F" OF THE JUDGMENT

19 Having read, reviewed and considered all pleadings filed in support and in response, if
20 any, to the Overlying (Agricultural) Pool's Motion Regarding Amendment of Pooling Plan for the
21 Agricultural Pool, Exhibit "F" of the Judgment, including the argument of counsel presented at
22 the December 13, 2019 hearing, and good cause appearing therefore:

23 **I. AG POOL POOLING PLAN**

24 The Overlying (Agricultural) Pool Committee (Ag Pool) is one of three groundwater
25 production "Pools" established by the Chino Basin Judgment (Judgment). The Judgment also
26 established "Pooling Plans" for each of the three Pools to control operation of the subject Pool.
27 The Judgment reserved continuing jurisdiction to the Court as to all matters contained in the
28 Judgment. The Pooling Plan for the Ag Pool is retained as Exhibit "F" to the Judgment and

1 describes the manner in which the Ag Pool is organized and administers its affairs. The Pooling
2 Plan can be modified by amendment of the Judgment pursuant to the Court’s continuing
3 jurisdiction.

4 On October 10, 2019, during an Ag Pool Committee regularly scheduled meeting,
5 members of the Ag Pool Committee discussed and adopted an amendment to the Ag Pool Pooling
6 Plan. The amendment was also presented to the two other Pool Committees, the Advisory
7 Committee, and Watermaster Board.

8 **II. PURPOSE OF AMENDMENT**

9 The amendment updates the Pooling Plan to reflect the terms of the Peace Agreement
10 approved by this Court in 2000 and to reflect the policy and practice of the Pool for the last ten
11 years.

12 The revisions to Section 3 of the Ag Pool Pooling Plan reflect the practice of the Pool to
13 allow for each member of the Ag Pool Committee to have one vote and serve for a one-year term.
14 This practice has occurred over the last ten years and no party to the Judgment has objected to
15 this practice.

16 The revisions to Section 5 of the Ag Pool Pooling Plan acknowledge and reflect the terms
17 of the 2000 Peace Agreement. Section 5.4(a) of the Peace Agreement establishes that, for the
18 term of Peace Agreement, all assessments and expenses of the Ag Pool shall be paid by the
19 Appropriate Pool. The revisions to Section 5 also align the Pooling Plan with current practice to
20 calculate assessments in the Ag Pool made pursuant to Paragraph 45 of the Judgment in an
21 amount uniformly applicable to all production in the Pool during the preceding year or calendar
22 quarter. The Peace Agreement was an agreement between the Parties to the Judgment and was
23 approved by this Court in 2000.

24 **III. ORDER**

25 IT IS ORDERED THAT:

- 26 1. The Pooling Plan of the Overlying (Agricultural) Pool be modified by amendment of
27 Exhibit “F” of the Judgment as presented in Attachment A to this Order.

Pursuant to page 36, Section 5.4(a) of the Peace Agreement, and for the term of same, all assessments and expenses of the Pool including those of the Agricultural Pool Committee shall be paid by the Appropriate Pool. This includes but is not limited to replenishment obligations. However, in the event the total Agricultural Pool Production exceeds 414,000 acre-feet in any five consecutive year period as defined in the Judgment, the Pool shall be responsible for its replenishment obligation pursuant to Paragraph 45 of the Judgment. Assessments in this pool pursuant to Paragraph 45 shall be in an amount uniformly applicable to all production in the pool during the preceding year or calendar quarter. Provided, however, that the Agricultural Pool Committee, may recommend to the Court modification of the method of assessing pool members, inter se, if the same is necessary to attain legitimate basin management objectives, including water conservation and

avoidance of undesirable socio-economic consequences. Any such modification shall be initiated and ratified by one of the following methods:

(a) Excess Production. - In the event total pool production exceeds 100,000 acre feet in any year, the Pool Committee shall call and hold a meeting, after notice to all pool members, to consider remedial modification of the assessment formula.

(b) Producer Petition. - At any time after the fifth full year of operation under the Physical Solution, a petition by ten percent (10%) of the voting power or membership of the Pool shall compel the holding of a noticed meeting to consider revision of said formula of assessment for replenishment water.

In either event, a majority action of the voting power in attendance at such pool members' meeting shall be binding on the Pool Committee.

6. Rules. - The Pool Committee shall adopt rules for conducting meetings and affairs of the committee and for administering its program and in amplification of the provisions, but not inconsistent with, this pooling plan.
