1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2  
3 **I. INTRODUCTION**

4 Pursuant to Paragraph 15 of the Chino Basin Judgment (“Restated Judgment”) in this  
5 action, the Chino Basin Watermaster (“Watermaster”) respectfully requests that the Court grant  
6 this Motion and the relief herein requested, pursuant to the Court’s powers to amend or amplify  
7 any of the provisions of the Restated Judgment. Watermaster petitions the Court to approve an  
8 amendment to Paragraph 36 of the Restated Judgment which would conform the Restated  
9 Judgment to longstanding practices as to Pool and Advisory Committee member compensation  
10 for attendance at events at the Committee’s direction.

11 **II. BACKGROUND**

12 Pursuant to this Court’s continuing jurisdiction, reserved to it by Paragraph 15 of the  
13 Restated Judgment, upon application of any party by a properly noticed motion and after hearing  
14 thereon, the Court may “...make such further or supplemental orders or directions as may be  
15 necessary or appropriate for interpretation, enforcement or carrying out of this Judgment, and to  
16 modify, amend or amplify any of the provisions of the Judgment.” (Restated Judgment, ¶ 15.)

17 **A. The Pool and Advisory Committees**

18 Pursuant to the Restated Judgment<sup>1</sup>, Watermaster was authorized and directed to cause  
19 committees of producer representatives to be organized, including Pool Committees, “for each of  
20 the several pools created under the Physical solution” and each Pool Committee “in turn, jointly  
21 form[ing] an Advisory Committee to assist Watermaster in performance of its functions under  
22 this judgment.” Pool Committees are composed as specified in the respective pooling plans, and  
23 the Advisory Committee is composed of up to ten voting representatives from each pool, as  
24 designated by the respective Pool Committee in accordance with each pool’s pooling plan. (*Id.*)

25 As Paragraph 36 of the Restated Judgment presently reads, compensation is to be paid to

26 <sup>1</sup> On September 27, 2012, this Court entered an Order Adopting Restated Judgment, Approving  
27 Intervention of Tad Nakase (TDN Land Company) into the Chino Basin Judgment. Pursuant to  
28 that Order, the Court ordered that the Restated Judgment shall serve as the official and legally  
operative copy of the Judgment in this case. All references to the “Judgment” herein are to that  
Restated Judgment.

1 Pool and Advisory Committee members as follows:

2           Compensation. Pool or Advisory Committee members may receive  
3 compensation, to be established by the respective pooling plan, but  
4 not to exceed twenty-five dollars (\$25.00) for each meeting of such  
5 Pool or Advisory Committee attended, and provided that no member  
6 of a Pool or Advisory Committee shall receive compensation of  
7 more than three hundred (\$300.00) dollars for service on any such  
8 committee during any one year. All such compensation shall be a  
9 part of Watermaster administrative expense. No member of any Pool  
10 or Advisory Committee shall be employed by Watermaster or  
11 compensated by Watermaster for professional or other services  
12 rendered to such Pool or Advisory Committee or to Watermaster,  
13 other than the fee for attendance at meetings herein provided, plus  
14 reimbursement of reasonable expenses related to activities within the  
15 Basin.

16 (Restated Judgment, ¶ 36.)

17 **B.       Pool Committee Member Compensation**

18           The members of the Overlying (Agricultural) Pool (“Ag Pool”) Committee are the only  
19 Pool Committee members who have, prior to the present Fiscal Year, received compensation for  
20 attendance at Watermaster meetings.<sup>2</sup> Prior to July 2009, according to the Ag Pool expense  
21 reports, the Ag Pool members were compensated \$125 for regular and special committee  
22 meetings of the Ag Pool, Appropriative Pool, Advisory Committee and Watermaster Board and  
23 for subcommittees and workshops.<sup>3</sup> (Joswiak Declaration, ¶ 3.) Of that, \$25 was compensated  
24 from the Appropriative Pool Fund, which was the established compensation account, until the  
25 \$300 maximum was met. (Joswiak Declaration, ¶ 4.) The remaining \$100 per meeting came from  
26 a separate Ag Pool interest account. (Joswiak Declaration, ¶ 5.)

27           In April 2009, meeting compensation charges for the members of the Ag Pool were  
28 transferred entirely to the Appropriative Pool Fund. (Joswiak Declaration, ¶ 6.) According to  
Watermaster’s financial records, starting in July 2009, the practice of charging the amounts in  
account 8470 against the Ag Pool Fund balance stopped. (Joswiak Declaration, ¶ 7.) There were

<sup>2</sup> On February 14, 2019, the Overlying (Non-Agricultural) Pool (“Non-Ag Pool”) Committee took  
action to initiate the process through which its members could receive compensation for meeting  
attendance, and Watermaster staff has been working with the Non-Ag Pool Committee to provide  
a budget and process for compensation of Non-Ag Pool Committee members beginning in Fiscal  
year 2019-20. (Joswiak Declaration, ¶ 8.)

<sup>3</sup> Pursuant to Restated Judgment Paragraph 18(b), members of the Watermaster Board are  
compensated \$125 for each day’s attendance at meetings at the direction of the Board. (Restated  
Judgment, ¶ 18(b).)

1 no longer any adjustments against the Ag Pool Fund balance, and the Appropriative Pool Fund  
2 started to pay all of the Ag Pool expenses, including member compensation for attendance at all  
3 meetings, workshops, and hearings attended. (*Id.*) Since July 2009, the Ag Pool general  
4 administrative expenses and special project expenses have been included within the Watermaster  
5 fiscal year budget, which is approved by the Advisory Committee and adopted by the  
6 Watermaster Board each year. (*Id.*) At no time have there been objections from any Pool with  
7 regard to the Watermaster budget approvals including these expenses. (*Id.*)

8 **III. THE COURT SHOULD APPROVE THE REQUESTED AMENDMENTS**

9 In late September 2019, Watermaster staff was requested to develop a proposed  
10 amendment to Paragraph 36 of the Restated Judgment that would conform the language to the  
11 long-time practice of Pool Committee member compensation. It is proposed that Paragraph 36 be  
12 amended to read as follows:

13 Compensation. Pool or Advisory Committee members may receive  
14 compensation, to be established by the respective pooling plan or  
15 Committee rules and regulations, but not to exceed one hundred  
16 twenty-five dollars (\$125.00) for each meeting, workshop, or  
17 hearing attended or at the direction of such Pool or Advisory  
18 Committee. All such compensation shall be a part of Watermaster  
19 administrative expense. No member of any Pool or Advisory  
20 Committee shall be employed by Watermaster or compensated by  
21 Watermaster for professional or other services rendered to such  
22 Pool or Advisory Committee or to Watermaster, other than the fee  
23 for attendance at meetings herein provided, plus reimbursement of  
24 reasonable expenses related to activities within the Basin.

19 This language modifies compensation for Committee members' attendance at meetings as  
20 follows: (1) compensation for attendance at meetings, workshops, and hearings is increased to  
21 the \$125 amount that members of the Ag Pool Committee have been paid for more than ten years;  
22 and (2) compensation is no longer subject to an annual cap.<sup>4</sup>

23  
24 <sup>4</sup> In addition to conforming to current practices, these changes are consistent with the purpose of  
25 the Court's August 30, 2013 Order Revising February 19, 1998 Ruling Appointing a Nine  
26 Member Watermaster Board ("2013 Order") that allowed individual members of the Ag Pool to  
27 serve concurrently on the Watermaster Board while serving as a member of the Advisory  
28 Committee or the Ag Pool Committee. That order was entered "in order to preserve the remaining  
1987104 members of the Pool's ability to be represented themselves in the Watermaster process". (2013  
Order at 3.) Over six years ago, this Court recognized that Ag Pool Committee and Advisory  
Committee member service overlapped and that alternates on the Watermaster Board were also  
members of the Pool Committee, indicative of the dwindling number of active participants in the  
Ag Pool. Due to this declining trend of activity, the Court found "that it may be difficult to find

1           During the October 2019 regular meetings of the Pool Committees, Advisory Committee,  
2 and Watermaster Board, an item was placed on each agenda for review and consideration of a  
3 draft motion seeking the amendment of Paragraph 36 of the Restated Judgment to conform to the  
4 longstanding practices regarding compensation of Committee members. (Herrema Declaration, ¶  
5 3.) At its regularly scheduled meeting on October 10, 2019, the Appropriative Pool Committee  
6 stated that for the sake of the public interest, the majority of the Appropriative Pool opposes the  
7 proposed Paragraph 36 amendment without a cap on the number of compensatory meetings; but  
8 to facilitate the Watermaster process, the majority of the Appropriative Pool do not oppose the  
9 proposed Paragraph 36 amendment moving forward as is, but the Appropriative Pool reserves the  
10 right to make comments on a proposed Agricultural Pool Pooling Plan Amendment. (Herrema  
11 Declaration, ¶ 4.) At its October 10, 2019 meeting, the Overlying (Non-Agricultural) Pool  
12 Committee indicated that it had offered advice and assistance previously and had nothing further  
13 to add on the topic of the proposed amendment to Paragraph 36. (Herrema Declaration, ¶ 5.) At  
14 its October 10, 2019 meeting, the Overlying (Agricultural) Pool Committee directed its legal  
15 counsel to prepare a joinder to Watermaster’s motion to amend Paragraph 36 of the Restated  
16 Judgment. (Herrema Declaration, ¶ 6.)

17           At its October 17, 2019 regular meeting, the Advisory Committee considered this  
18 proposed amendment and recommended the Watermaster Board move the Court to amend  
19 Restated Judgment Paragraph 36 by a majority volume vote. (Herrema Declaration, ¶ 7.) On  
20 October 24, 2019, the members of the Watermaster Board unanimously voted to seek this Court’s  
21 approval of an amendment to the Restated Judgment, consistent with the Committees’ requests  
22 and directed Watermaster legal counsel to take the necessary actions to obtain approval of this  
23 amendment. (Herrema Declaration, ¶ 8.)

1 **DECLARATION OF JOSEPH S. JOSWIAK**

2 I, Joseph S. Joswiak, declare:

3 1. I am the Chief Financial Officer (“CFO”) for the Chino Basin Watermaster  
4 (“Watermaster”). I have been CFO since April 2010 and have personal knowledge of the facts  
5 stated in this declaration, except where stated on information and belief, and, if called as a  
6 witness, I could and would competently testify to them under oath. I make this declaration in  
7 support of the above-referenced motion.

8 2. As Watermaster CFO, I am responsible for the administration of Watermaster’s  
9 financial affairs, including but not limited to processing and accounting for payments made by  
10 Watermaster to members of the Pool and Advisory Committees.

11 3. According to the Agricultural Pool expense reports, prior to July 2009, the  
12 Agricultural Pool members were compensated “for regular and special committee meetings of the  
13 Agricultural Pool, Appropriative Pool, Advisory Committee and Watermaster Board; and for  
14 subcommittees and workshops in the amount of \$125.00 per meeting not to exceed \$250 per  
15 day.”

16 4. Of this amount, twenty-five dollars (\$25.00) per meeting was compensated from  
17 the Appropriative Pool Fund, the established compensation account (account number 8411), until  
18 the maximum annual amount of \$300 was reached.

19 5. The remaining \$100 per meeting came from the Agricultural Pool Fund (account  
20 number 8470). A prorated portion of the total interest earned on the Watermaster funds invested  
21 in Local Agency Investment Fund were recorded against account 8470. Interest coming in and  
22 expenses going out either increased or decreased account 8470.

23 6. In April 2009, as part of a discussion regarding the agreement among the members  
24 of the Appropriative Pool and the members of the Agricultural Pool regarding the former’s  
25 payment of the expenses of the latter, meeting compensation charges for the members of the  
26 Agricultural Pool were transferred entirely to the Appropriative Pool Fund.

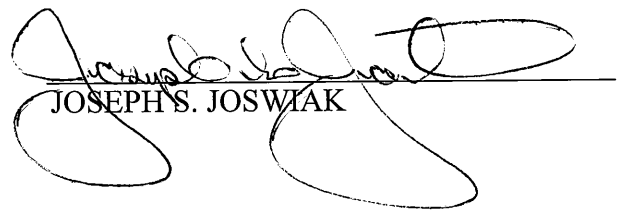

27 7. According to Watermaster’s financial records, starting in July 2009, the practice of  
28 charging the amounts in account 8470 against the Agricultural Pool Fund balance stopped. There

1 were no longer any adjustments against the Agricultural Pool Fund balance, and the  
2 Appropriative Pool Fund started to pay all of the Agricultural Pool expenses, including member  
3 compensation for attendance at meetings. Since July 2009, the Agricultural Pool general  
4 administrative expenses and special project expenses have been included within the Watermaster  
5 fiscal year budget. Each fiscal year, the Watermaster budget is approved by the Advisory  
6 Committee and adopted by the Watermaster Board. There have been no objections from the  
7 Appropriative, Non-Agricultural, or Agricultural Pool with regards to the Watermaster budget  
8 approvals.

9 8. On February 14, 2019, the Non-Agricultural Pool Committee initiated the process  
10 through which its members could receive compensation for meeting attendance, and Watermaster  
11 staff has been working with the Non-Agricultural Pool Committee to provide a budget and  
12 process for compensation of Non-Agricultural Pool Committee members beginning in Fiscal year  
13 2019-20.

14 9. I declare under penalty of perjury under the laws of the State of California that the  
15 foregoing is true and correct.

**DECLARATION OF BRADLEY J. HERREMA**

I, Bradley J. Herrema, declare:

1. I am an attorney duly admitted to practice before all of the courts of this State, and am a shareholder in the law firm of Brownstein Hyatt Farber Schreck, LLP, counsel of record for Chino Basin Watermaster (“Watermaster”). I have personal knowledge of the facts stated in this declaration, except where stated on information and belief, and, if called as a witness, I could and would competently testify to them under oath. I make this declaration in support of the above-referenced request.

2. As legal counsel for Watermaster, I am familiar with Watermaster’s practices and procedures, as well as actions taken by the Pool Committees, Advisory Committee and Watermaster Board.

3. During the October 2019 regular meetings of the Pool Committees, Advisory Committee, and Watermaster Board, an item was placed on each agenda for review and consideration of a draft motion seeking the amendment of Paragraph 36 of the Restated Judgment to conform to the longstanding practices regarding compensation of Committee members. A copy of the staff report for the Pool Committee meetings is attached hereto as Attachment “A.”

4. At its regularly scheduled meeting on October 10, 2019, the Appropriative Pool Committee stated that for the sake of the public interest, the majority of the Appropriative Pool opposes the proposed Paragraph 36 amendment without a cap on the number of compensatory meetings; but to facilitate the Watermaster process, the majority of the Appropriative Pool do not oppose the proposed Paragraph 36 amendment moving forward as is, but the Appropriative Pool reserves the right to make comments on a proposed Agricultural Pool Pooling Plan Amendment.

5. At its regularly scheduled meeting on October 10, 2019, the Overlying (Non-Agricultural) Pool Committee indicated that it had offered advice and assistance previously and had nothing further to add on the topic of the proposed amendment to Paragraph 36.

6. At its regularly scheduled meeting on October 10, 2019, the Overlying (Agricultural) Pool Committee directed its legal counsel to prepare a joinder to Watermaster’s motion to amend Paragraph 36 of the Restated Judgment.

1           7.       At its regularly scheduled meeting on October 17, 2019, the Advisory Committee  
2 considered the proposed amendment and recommended that the Watermaster Board approve the  
3 filing of the motion in regard to such amendment by a majority volume vote of 84.523%. The  
4 City of Chino, the Minor Appropriator representatives, and the Monte Vista Water District voted  
5 against the recommendation.

6           8.       At the regularly scheduled meeting on October 24, 2019, the Watermaster Board  
7 unanimously approved the filing of this Motion for Court Approval of Amendments to Restated  
8 Judgment Regarding Compensation of Watermaster Pool and Advisory Committee Members  
9 (“the Motion”) with the Court.

10          9.       While, during the October 17, 2019 Advisory Committee meeting, certain parties  
11 opposed the recommendation to the Watermaster Board to file the Motion, I am unaware whether  
12 any party will oppose the Motion itself.

13          10.      I declare under penalty of perjury under the laws of the State of California that the  
14 foregoing is true and correct.

**[PROPOSED] ORDER**

On December 13, 2019, in Department S35 of the above-entitled Court, the Chino Basin Watermaster’s (“Watermaster”) Motion for Court Approval of Amendments to Restated Judgment Regarding Compensation of Watermaster Pool and Advisory Committee Members came on regularly for hearing in the above-captioned matter. Having read and considered the papers and heard the arguments of counsel, if any, the Motion is **GRANTED**. Paragraph 36 of the Restated Judgment shall be amended to read as follows:

Compensation. Pool or Advisory Committee members may receive compensation, to be established by the respective pooling plan or Committee rules and regulations, but not to exceed one hundred twenty-five dollars (\$125.00) for each meeting, workshop, or hearing attended or at the direction of such Pool or Advisory Committee. All such compensation shall be a part of Watermaster administrative expense.
