

RESOLUTION 90-1

RESOLUTION OF THE CHINO BASIN WATERMASTER, SAN
BERNARDINO COUNTY, CALIFORNIA, ESTABLISHING A
ZERO BASE APPROPRIATIONS LIMIT FOR FISCAL YEAR
1990/91

WHEREAS, on January 27, 1978, the Chino Basin Watermaster was appointed by the Superior Court of the State of California for the County of San Bernardino to administer and enforce the provisions of Judgment Number 164327; and

WHEREAS, the Watermaster may be considered a local government required under Article XIIIIB of the State of California Constitution to annually establish an appropriations limit for the following fiscal year; and

WHEREAS, a uniform guideline for the implementation of Article XIIIIB of the California Constitution (October 1980) has been drawn up by the League of California Cities' Gann Task Force and the assumptions included therein have been used in determining the applicability of said article to the Watermaster activities.

NOW, THEREFORE, the Chino Basin Watermaster does hereby RESOLVE AND DETERMINE as follows:

Section 1. Declaration. That this Watermaster does hereby declare:

a. Under Judgment Number 164327, Administrative Assessments are to be levied on all water producers to cover the costs of administering this program.

b. Under said Judgment, Water Replenishment Assessments are to be levied upon all water producers who pump water in excess of their adjudicated rights to water within the underlying Chino Basin to cover the cost of replacing that amount of water over-produced in the prior fiscal year.

c. Such Assessments are levied only on parties pumping water from the Chino hydrologic basin.

d. Those parties assessed receive direct benefits from maintaining the water levels within the underlying water basin.

e. All revenues of the 1978-1979 Base Year consisted of said Assessments, interest earned thereon and upon funds held in appropriated reserves resulting from prior year Assessments, and grants in aid from other local agencies. Exhibit "A" attached hereto.

f. All revenues received that exceeded the cost of administration and groundwater replenishment are either returned to the pumpers or retained in the Watermaster accounts for carrying out the Watermaster purposes.

Section 2. Findings and Determinations. That, based upon the above declaration, this Watermaster does hereby find and determine:

a. The Chino Basin Watermaster had no appropriations subject to limitation during the 1978-1979 Base Year.

b. The Chino Basin Watermaster is an enterprise operation and as such is not subject to appropriations limitation under Article XIII B of the California Constitution.

Section 3. Filing. That the Secretary is hereby authorized and directed to file a certified copy of this resolution with the Board of Directors of Chino Basin Municipal Water District for inclusion in the public notice procedures for that local government.

ADOPTED this 7th day of February, 1990.

Chairman of the Chino Basin Watermaster
and of the Board of Directors thereof.

ATTEST:

Secretary of the Chino Basin Watermaster
and of the Board of Directors thereof.

EXHIBIT "A"

1978-1979 BASE YEAR
