

NO. 97-7
RESOLUTION OF COMMENDATION
TO
ROGER LARKIN

A Resolution of the Chino Basin Watermaster commending Roger Larkin for outstanding public service.

Whereas, Roger Larkin joined the staff of the State of California on October 23, 1973 as Water & Sewer Supervisor and was immediately recognized for his leadership ability; and

Whereas, Roger Larkin has served as his agency's liaison to the Chino Basin Watermaster since the early years of the adjudication, until now; and

Whereas, Roger Larkin served as an officer at various times on both the Advisory Committee and the Overlying (Agricultural) Pool during his liaison to Chino Basin Watermaster; and

Whereas, during his tenure at the California Institute For Men, Roger Larkin was instrumental in advancing the sewer and wastewater technology and with the assistance of his co-workers upgraded the sewage treatment facility to 1.4 mgd, and has become known as a leading expert for the State of California at CIM in issues related to groundwater; and

Whereas, Roger Larkin also serves as a leader in basin management issues and was instrumental in bringing the plant into compliance, resulting in the lifting of a cease & desist order; and

Whereas, through the efforts of Roger Larkin, many former inmates now hold Grade I and Grade II Operators licenses and are contributing members of society; and

Whereas, Roger Larkin resigned his position with the State of California and with the Chino Basin Watermaster after serving both faithfully until June 30, 1997.

Now Therefore Be It Resolved, that the Chino Basin Watermaster extends to Roger Larkin best wishes in his future endeavors.

Now Be It Further Resolved, that the Chino Basin Watermaster wishes to extend its sincere thanks and appreciation to Roger Larkin for the years of dedication and outstanding public service.

Adopted This Fifth Day of June, Nineteen Hundred and Ninety-Seven.

ATTEST:

John L. Anderson, Chairman
Chino Basin Watermaster
